

The Parish Church of Saint Paul's, Charlestown.

Remembrance Sunday

Sunday, 8th November, 2020

You may be aware that on Remembrance Sunday we usually have a very good congregation. With this in mind and our priority of keeping everyone safe in line with government guidelines we are endeavouring to arrange our seating so as to be socially distant and accommodate as many people as possible. Face coverings are mandatory and due to the 'Rule of 6', the maximum size for any group is six, however knowing the size of groups will help us with spacing.

You are invited to book your seat[s] by filling in the form at the bottom of this page, telephoning 01726 814612 or by email at stpaulscharlestownseating@gmail.com *[If using email please give the details as asked for on the tear off slip below]*

Our Remembrance Service begins at 9.45 am however we would ask you to take your seats by 9.35 am so that if we have any vacant seats and people who have not booked arrive we can make the best use of them. You will be checked against our booking list on arrival which will also serve as our 'track and trace' record. [This will be destroyed after twenty one days]

Communion is given in one kind only [ie the bread and not the wine.]

Unable to attend? Please advise us if wish to cancel your booking by email or telephone

Please do let others know these arrangements. Thank you!

The Act of Remembrance at the War Memorial, which is not ticketed will begin at 10.55 am. We look forward to seeing you

Whilst we are still making plans it is very likely that similar arrangements will be made for our Christmas Services. Please watch our website www.stpaulscharlestown.co.uk or look for further information in church.
