

The Parish Church of Saint Paul, Charlestown
All Saints and All Souls 2020

This year because of 'Covid 19' regulations regarding the use of churches we will be combining our Parish Mass on All Saints' Day [Sunday 1st November] at 9.30 am with our Service for All Souls, 'Remembered in Love'. At the intercessions those who have died in the last year and loved ones who we are asked to remember by name will be remembered in prayer. If you would like to light a candle for your loved one[s] please do this before the service. We are not able to use handheld candles at present.

If you would like your loved one[s] remembered by name, please fill in the form below and put in the basket at the back of the church.
