StPaulsCharlestown

Today the church needs to raise £125,000 to replace the north roof and has, in faith placed an order for this essential, urgent work. Every time it rains water is pouring through the roof, making the floor wet and doing untold damage to the walls and fixtures and fittings.

So far the Friends of St Paul's has promised £35,000. The church has £20,000 which it has received in bequests for the upkeep of the church. Therefore, we need to raise a further £70,000

There is

- No funding from the Church Commissioners.
- No funding from Central or Local Government.

*We cannot do this without your help. Please will you.....*

- pray for St Paul's Church as we proceed with the work in faith.
- support the work by a donation.

*We warmly invite you to visit St Paul's Church on our 'Gift Day', Saturday, 25<sup>th</sup> September, 2021 between 10 am and 4 pm to view the church and meet members of the congregation. Light refreshments will be served.*
